Important foreword

This model questionnaire is proposed by Eurostat in order to help participants to build their own national questionnaires to properly collect the 2016 AES content:

* It is only a **suggestion made as a starting point** and should not be seen as a definite tool to be translated directly from English to any national language;

* One to one translation is not always relevant due to national specificities, therefore each country should chose the most appropriate translation, taking into account those specificities.

Note: This question refers to the degree that the activity takes place during paid working hours meaning that the working hours are used to attend the activity instead of working. It also includes the case where a number of working hours are being replaced by the learning activity even if the activity itself takes place outside normal working time of the respondent. In case when 50% of the activity took place during paid working hours and 50% outside, this activity should be classified as "mostly during paid working hours". If the learning activity takes place outside working time and the respondent has received payment for the hours or additional leisure hours, the activity should be coded as "only during paid working hours". The answer should only reflect the participation in the course itself and not homework. - Self-employed should be treated as employed - Contributing family workers (those workers who hold a 'self-employment' job in a market-oriented establishment operated by a related person living in the same household), who cannot be regarded as partners, voluntary social workers and others working without being paid but attending a course within that area should be coded as "only outside paid hours", as there are no paid working hours. - If in the time of attending formal education the respondent does not have a job during the full period of the course (during a reference period), there will be two periods of the course: the period where the person is in a job and the period where the person is not in job. The answer and coding should reflect the situation in the longest period of the course (again within the reference period).

57	FEDNBHOURS	How many instruction hours did you receive for FEDNAME during the last 12 months?		FEDNUM ≥ 1

Note: These questions concern the situation when the direct expenses were fully or partly paid by some other party. In case the worker was employed by a member of his/her household and received financial support from the household but as an employee or family worker this should be treated as employer and not household support. In case the respondent was self-employed when participating in education and training and financed the expenses from his/her company sources, that should be coded as employer's support (either full or part).

Note that symbol (**) indicates the variable should be coded 1 if selected, 2 if not selected, -1 if no answer and -2 if not applicable.

1.4.2 Non-formal education

Question No.	Variable Name	QUESTIONS/ANSWERS	FILTER
--------------	---------------	-------------------	--------

	(NFE)	Activities in which the respondent participated during the last 12 months with the intention to improve knowledge or skills in any area (including hobbies) either in leisure time or in working time. This includes completed and ongoing activities.		
63	NFECOURSE	a. During the last 12 months have you participated in courses at the workplace or in your free time? <i>Examples: language, computer, driving, management, cooking, gardening or painting courses.</i>		
		- Yes.....	1	
		- No.....	2	
	NFECOURSENUM	- How many ?	1-99	NFECOURSE=1
64	NFEWORKSHOP	b. During the last 12 months have you participated in workshops or seminars at the workplace or in your free time? <i>Examples: Data workshop, inspiration day, study day, inspirational workshop, work information seminar, health seminar.</i>		
		- Yes.....	1	
		- No.....	2	
	NFEWORKSHOPNUM	- How many ?	1-99	NFEWORKSHOP=1
65	NFEGUIDEDJT	c. During the last 12 months have you participated in guided-on-the-job training, which means planned periods of education, instruction or training directly at the workplace, organised by the employer with the aid of a designated teacher/instructor ? <i>Examples: Training to operate a new machine or to learn new software (for one or two people).</i>		
		- Yes.....	1	
		- No.....	2	
	NFEGUIDEDJTNUM	- How many ?	1-99	NFEGUIDEDJT=1
66	NFELESSON	d. During the last 12 months have you participated in private lessons with the aid of a teacher or tutor for whom this is a paid activity? <i>Examples: mathematics or piano lessons. A lesson should be included if provided by a professional teacher and excluded if provided by a friend, family member or colleague.</i>		
		- Yes.....	1	
		- No.....	2	
	NFELESSONNUM	- How many ?	1-99	NFELESSON=1

Note: Private lessons can even be "formal education" in the case where the national educational system recognises home schooling, as the pupil would participate in institutionalised learning designed to lead to a qualification in the NFQ. In this case they should be reported in the module FED.

Remarks: Alternatively, the interviewers can collect the number of non-formal learning activities after each type of non-formal learning activity and sum up the figures to derive **NFENUM**.

Those four suggested variables for counting are not to be transmitted to Eurostat

67	NFENUM	In how many such non-formal education and training activities have you participated during the last 12 months?		NFECOURSE = 1 or NFEWORKSHOP = 1 or NFEGUIDEDJT = 1 or NFELESSON = 1
		- Number of activities.....	1-99	
		- None (NFECOURSE = NFEWORKSHOP = NFEGUIDEDJT = NFELESSON = 2).....	0	

Remark: Alternatively, **NFENUM = NFECOURSENUM + NFEWORKSHOPNUM + NFEGUIDEDJTNUM + NFELESSONNUM**

Note: The type of activity, the purpose, the indication whether it took place during worktime and the indication whether it was paid by the employer are collected for seven non-formal learning activities.

1.4 Participation in education and training

1.4.2 Non-formal education

1.4.2.1 Detailed information concerning randomly selected activities

Note: After listing all the activities the respondent has participated during the last 12 months (a maximum of 7), 2 activities should be randomly selected for further interviewing among them (see 'Survey Guidelines' in AES manual for details on the random selection)

Note: The section below refers to the 1ST RANDOMLY SELECTED ACTIVITY among the activities listed beforehand. The section shall be repeated for the 2nd randomly selected activity. Variable names shall represent the respective activity (NFERAND2, NFERAND2_TYPE, NFEFIELD2, etc.).

Question No.	Variable Name	QUESTIONS/ANSWERS	FILTER

1ST RANDOMLY SELECTED ACTIVITY

96	NFERAND1	Code of the 1st randomly selected activity		NFENUM ≥ 1
		- Identification code of the 1st randomly selected activity.....	01-07	
		- Not applicable (NFENUM = 0).....	-2	

Note: The identification code of the randomly selected activity should coincide with the coding (xx) in the variables NFEACTxx.

Note: Like for the formal education and training, an alternative way of collecting details on non-formal learning activities is to give a name to each activity in order to clearly identify the learning activity until the end of the data collection and help the respondent.

97	NFERAND1_TYPE	What was the type of the 1st non-formal learning activity?		NFENUM ≥ 1
		- Courses.....	1	
		- Workshops and seminars.....	2	
		- Guided-on-the-job training.....	3

99	NFEDIST1	Was the 1st non-formal learning activity organised mainly as distance learning?		NFENUM ≥ 1
		- Yes.....	1	
		- No.....	2	
		- No answer.....	-1	
		- Not applicable (NFENUM = 0).....	-2	

Note: in order to clarify the word 'mainly', the interviewer could tell the respondent they should consider the learning was mainly organised as distance learning when this particular mode of learning was used at least for 50 % of the instruction hours.

100	NFEDISTOL1	Was this distance learning mainly organised as an online course?		NFEDIST1 = 1
		- Yes.....	1	
		- No.....	2	
		- No answer.....	-1	
		- Not applicable (NFEDIST1 ≠ 1).....	-2	

Note: in order to clarify the word 'mainly', the interviewer could tell the respondent they should consider the learning was mainly organised as online course when this particular mode of learning was used at least for 50 % of the instruction hours.

101	NFEOERA1	Have you used online educational resources for the 1st non-formal learning activity?		NFENUM ≥ 1

	NFEREASON1	- None of the items above.....	0	
		- At least one of the items above selected.....	1	
		- No answer.....	-1	
		- Not applicable (NFERAND1 = -2).....	-2	

Note: symbol (**) indicates the variable should be coded 1 if selected, 2 if not selected, -1 if no answer and -2 if not applicable; Job-related filter: reasons 1a, 1b, 2, 3, 4 and 13 should only be asked if the activity is job-related, that is to say variable NFEACTxx_PURP for the corresponding non-formal learning activity was coded 1.

Note: Only the hours of instruction should be reported in the NFENBHOURS1 variable. But it may be difficult to get a precise number of hours. Alternatively to the variable NFENBHOURS1, the interviewer may ask two separate questions (NFENWEEKS1 and NFEDURPERWEEK1) to calculate the number of hours of instruction (NFENBHOURS1).
Note that the data transmitted will only contain NFENBHOURS1.
Proposed way of formulating questions for variable NFEVOLUME1:
How many days during the last 12 months did <<the name of the....activity>> comprise? __
How many instruction hours per day did <<the name of the....activity>> comprise on average? __
This means that <<the name of the....activity>> comprised of YYYY instruction hours during the last 12 months. Is this correct? 1. Yes 2. No – Total number of instruction hours during the last 12 months?----- 3. Don't know
However the way of asking questions for this variable should be decided at national level, depending on how the programmes are usually characterised in the country (as number of hour per week, semester or year, etc.).

104	NFENBHOURS1	How many instruction hours did you receive for the 1st non-formal learning activity during the last 12 months?		NFERAND1 ≠ -2
			1-9999

Alternative optional questions in order to help the respondent to give the total number of instruction hours (NOT TO BE TRANSMITTED TO EUROSTAT)				
104a	NFENWEEKS1 (optional)	Number of weeks		NFERAND1 ≠ -2
			1-52	
		- No answer.....	-1

104b	NFEDURPERWEEK1 (optional)	Average number of instruction hours per week		NFERAND1 ≠ -2
			1-98	
		- No answer.....	-1	
		- Not applicable (NFERAND1 = -2).....	-2	

105	NFEPROVIDER1	Who was the provider of the 1st non-formal learning activity?		NFERAND1 ≠ -2
		- Formal education institution.....	1	
		- Non formal education and training institutions.....	2	
		- Commercial institution where ET is not the main activity (e.g. equipment suppliers).....	3	
		- Employer.....	4	
		- Employers' organisations, chambers of commerce.....	5	
		- Trade unions.....	6	
		- Non-profit associations, e.g. cultural society, political party.....	7	
		- Individuals (e.g. students giving private lessons).....	8

		- Other.....	10	
		- No answer.....	-1	
		- Not applicable (NFERAND1 = -2).....	-2	

Note: It can be difficult for the respondent to understand the definition of training provider. Ideally this should be an open question to be post-coded using provided categories. Each country is also recommended to use a national list of providers, which can be coded according to the proposed categories.
The provider of education is defined as an enterprise/municipality/governmental authority/private person providing the teacher, lecturer or instructor for the learning activity. The place for learning activity or the organisation/enterprise that paid for the learning activity should consequently not be stated.

106	NFECERT1	Does the 1st non-formal learning activity lead to a certificate? If yes, was this certificate required by employer or professional body for the execution of current or planned activity as employer or employee?		NFERAND1 ≠ -2

<p>Note: These questions concern the situation when the direct expenses were fully or partly paid by some other party. In case the worker was employed by a member of his/her household and received financial support from the household but as an employee or family worker this should be treated as employer and not household support. In case the respondent was self-employed when participating in education and training and financed the expenses from his/her company sources, that should be coded as employer's support (either full or part).</p> <p>Note that symbol (**) indicates the variable should be coded 1 if selected, 2 if not selected, -1 if no answer and -2 if not applicable.</p>

1.5 Difficulties in participation in education

Question No.	Variable Name	QUESTIONS/ANSWERS	FILTER
--------------	---------------	-------------------	--------

(DIFFICULTY)	DIFFICULTIES RELATED TO PARTICIPATION (OR MORE PARTICIPATION) IN EDUCATION AND TRAINING DURING THE LAST 12 MONTHS	
(NEED)	NO NEED FOR (FURTHER) EDUCATION AND TRAINING	

Note: We are interested to allocate the respondent in one of the four categories/groups below in order to analyse the difficulties that he/she faced to participate in education and training during the last 12 months.

Alternatively to asking the respondent directly to allocate himself/herself to one of the four categories defined in the variable DIFFICULTY and NEED of the Commission Regulation, the interviewer should propose the questions DIFFICULTY_A or DIFFICULTY_B and subsequently the questions NEEDA and NEEDB depending on the answers to questions on participation in education and training asked earlier on during the interview. The derived codes are given below

Participation in education and training either formal or non-formal

113	DIFFICULTY_A	Previously in the questionnaire you stated that during the last 12 months you participated in education and training. Would you have liked to participate even more in such activities?		FED = 1 or NFECOURSE = 1 or NFEWORKSHOP = 1 or NFEGUIDEDJT = 1 or NFELESSON = 1
		- Yes [Group 2].....	1	=> DIFFICULTY = 2
		- No [Group 1].....	2	=> DIFFICULTY = 1
		- No answer.....	-1	

114	NEEDA	You answered no to the previous question. Is it because you did not need additional education and training?		DIFFICULTY = 1
		- Yes.....	1	=> NEED = 1
		- No.....	2	=> NEED = 2
		- No answer.....	-1	=> NEED = -1
		- Not applicable (DIFFICULTY ≠ 1).....	-2	=> NEED = -2

No participation in formal nor in non-formal education and training

115	DIFFICULTY_B	Previously in the questionnaire you stated that during the last 12 months you did not participate in any kind of education or training. Despite this, would you have liked to participate in such activities?		FED = 2 and NFECOURSE = 2 and NFEWORKSHOP = 2 and NFEGUIDEDJT = 2 and NFELESSON = 2
		- Yes [Group 4].....	1	=> DIFFICULTY = 4
		- No [Group 3].....	2	=> DIFFICULTY = 3
		- No answer.....	-1	

116	NEEDB	You answered no to the previous question. Is it because you did not need education and training?		DIFFICULTY = 3
		- Yes.....	1	=> NEED = 1
		- No.....	2	=> NEED = 2
		- No answer.....	-1	=> NEED = -1
		- Not applicable (DIFFICULTY ≠ 3).....	-2	=> NEED = -2

For those who participated and wanted to participate more (Group 2) and those who did not participate but wanted to (Group 4) and those who answered 'No' to NEED

Note: Interviewers *SHOULD* then list the possible reasons before the respondent replies to the following question. The list of reasons/difficulties could be presented to the respondent.

117	DIFFTYPE	Which of the following obstacles prevented you from participating in education and training? (mark all that apply)		(DIFFICULTY = 2 or 4) or (NEED = 2)
	DIFFTYPE_01	Difficulty 01 - Prerequisites	(**)	
	DIFFTYPE_02	Difficulty 02 - Cost	(**)	
	DIFFTYPE_03	Difficulty 03 - Lack of employer support or lack of public services support	(**)

	DIFFTYPE_05	Difficulty 05 - Distance	(**)	
	DIFFTYPE_06	Difficulty 06 - No access to a computer or internet	(**)	
	DIFFTYPE_07	Difficulty 07 - Family responsibilities	(**)	
	DIFFTYPE_08a	Difficulty 08a - Health	(**)	
	DIFFTYPE_08b	Difficulty 08b - Age	(**)	
	DIFFTYPE_09	Difficulty 09 - Other personal reasons	(**)	
	DIFFTYPE_10	Difficulty 10 - No suitable education or training activity (offer)	(**)	
	DIFFTYPE_12	Difficulty 12 - Negative previous learning experience	(**)	
	DIFFTYPE	- None of the items above.....	0	
		- At least one of the items above selected.....	1	
		- No answer.....	-1	
		- Not applicable (DIFFICULTY ≠ 2 or 4 and NEED ≠ 2)....	-2	

Note: Category "you did not have the prerequisite" concerns mainly entrance requirements which are imposed by the provider and not the attitudinal barrier.

Symbol (**) indicates the variable should be coded 1 if selected, 2 if not selected, -1 if no answer and -2 if not applicable.

118	DIFFMAIN	Among the obstacles that you mentioned previously, which one was the most important?		DIFFTYPE = 1
		- Code of the difficulty from 01 to 12 as in the variable DIFFTYPE).....	3-digits
