The final product(s) still need(s) to be defined and (at least provisionally) decided upon at the next meeting of the WG 4/2011 of the SSDC HS on 26 October 2011. It could be guidelines, a collection of good practice models, a framework agreement
 - Intention of both social partners to elaborate a "living document" not for the shelves or archives, but to be used on the ground and in the framework of ongoing or planned initiatives of DG SANCO and DG EMPL; how this best could be done needs to be seen, discussed and negotiated with them
 - EPSU Secretariat to share with all EPSU and HOSPEEM members a handout prepared for the meeting of the WG 3/2011 of the SSDC HS on 15 September 2011 summarising work done by the European Social Partners in the Hospital Sector on the topic of the ageing workforce so far

 - Mathias Maucher was asked to prepare a draft questionnaire/template with the list of issues to be reported back on for the next meeting of the WG 4/2011 of the SSDC HS on 26 October 2011
 - The final version will be discussed and approved at the Plenary Meeting 2/2011 on 2 December 2011
 - The decision if EPSU affiliates and HOSPEEM members will report back to both Secretariats in one joint and coordinated report or with two separate reports will be decided by the national social partners respectively.
 - EPSU members pointed to problems linked to the fact that HOSPEEM does not have a member organisation in/for all 27 EU MS that could do the reporting back. In these cases separate TU reports would need to be done anyway.
 - The questionnaire/template with the list of issues to be reported back on will be translated (using EPSU money) into other languages than EN (final number tbc)

5. Any other business

- The agenda for meeting of the WG 4/2011 of the SSDC HS on 26 October 2011 will be organised in a manner that will allow us to deal with the main issues and to take all relevant decisions by 14:30, even so the meeting will be scheduled, as usual, from 9:30 (including the meeting of the Steering Committee) to 16:00. This timing will allow those representatives of HOSPEEM and EPSU affiliates to take an afternoon flight to Warsaw to attend the final conference in the 8-partner-project (involving CEMR, CoESS, EFEE, EPSU, ETUCE, EuroCommerce, HOSPEEM and UNI Europa) to promote the implementation of the Multisectoral Guidelines on Third Party Violence of 10 July 2010 (see <http://www.epsu.org/a/6782>) that will take place in the Polish capital on 27 October 2011
- The meeting will be chaired on behalf of HOSPEEM by Ulrike Neuhauser representing Austrian member “Austrian Hospital and Health Services Platform in Verband der Öffentlichen Wirtschaft und Gemeinwirtschaft Österreichs (VÖWG)”.
- As of 1 October 2011 Federica Benassi will leave the HOSPEEM Secretariat for the duration of one year. HOSPEEM will recruit a Junior Policy Officer for this period.
