

**Meeting of the Ground Handling Working Group
11 October, 10:00 am**

Draft Agenda

1. Adoption of the agenda
2. Adoption of the minutes of the last meeting (30 June 2006)
3. Information by DG TREN on progress with regard to Council Directive 96/67/EC of 15 October 1996 and its revision (to be confirmed)
4. Finalisation of the work programme

In the framework of the revision of the 1996 ground handling directive, the European social partners try to agree upon joint expressions on five issues:

- (1) Quality of service
- (2) Safety
- (3) Training and qualification of staff
- (4) Analysis of the existing social problems related to call for tenders and/or partial loss of activities
- (5) Analysis of the effects on safety of sub-contracting in cascade

5. Any other business
