Digital Skills and Jobs Coalition

To tackle the lack of digital skills in Europe
To fill ICT-related vacancies across all industry sectors

The image shows the Pledgeviewer.eu logo, which consists of a circular emblem with a laurel wreath and the word 'PLEDGER' on a ribbon. Below it is the text 'Digital Skills and Jobs Coalition' and the website 'pledgeviewer.eu'. To the right, a yellow box contains the text '102 Pledges' and a grey box contains '400 Members'. A similar 'MEMBER' logo is also present.

Four target groups

- Digital skills for ICT professionals
- Digital skills in education
- Digital skills for labour force
- Digital skills for all citizens

➔ Mapping digital skills activities in Europe:
[Online database](#) with best practices – inspiring!

European Digital Skills Award 2017

to showcase initiatives that develop the digital skills of Europeans in school, at work and in society in general.

The initiatives should be easy to **scale-up** and **replicate** in other cities, regions, countries and sectors. The winners and finalists will be selected in

European Digital Skills Awards

5 categories:

- Citizens
- Labour force
- ICT specialists
- Education
- Women & girls

Apply by **21 October 2018**
