MESSAGE BOARD:

NEW BANS FOR HALON FOR CRITICAL USE APPLY FROM 2017

Starting from January 2017 it will be no longer allowed to import or export halons for the following uses:

- * on commercial cargo ships
- * at airfields and airports
- * on military surface ships - protection of aircraft in hangars and maintenance areas (portable extinguishers)
- * in the Channel Tunnel - protection of technical facilities (fixed systems)

This is a provision of Regulation (EC) No 1005/2009, Annex VI. This change affects licences for import of halon for critical use (ICUH) and for export of halon for critical use (ECUH).
