

---

## **Development of a European educational toolkit for three private security activities/profiles:**

---

- 1) Mobile patrolling**
- 2) Alarm response centres**
- 3) Airport security**

# Sub-groups

- 1) Mobile patrolling
- 2) Alarm response centres
- 3) Airport security

Each sub-group is composed of **6 persons**  
(**3 UNI-Europa and 3 CoESS**) + **1 expert**,  
Which makes a total of 7 persons.

# Experts

- ◆ **Mobile Patrolling**
  - BYA (Sweden)
- ◆ **Alarm response centres**
  - Skills for Security (UK)
- ◆ **Airport security**
  - Securair (Belgium)

# Preparatory phase

- ◆ Presentation of the outline of the project to the European Sectoral Dialogue Committee
  - 18 January 2006
- ◆ First meeting of the 3 sub-working groups
  - 19 January 2006

# Main event

- ◆ Gathering of information, mostly through e-mail. Collection, classification and analysis of national available material
- ◆ 2 meetings of each of the 3 sub-groups, development of the toolkit (3 separate parts)
  - May 2006 and July 2006

# Follow-up

- ◆ Establishment of the final report and toolkit
- ◆ Finalisation and production of the toolkit
- ◆ Dissemination of the toolkit and preparation of further promotion

# Mobile patrolling:

- ◆ General Vocational Guidance
- ◆ Health and Safety
- ◆ National Regulations
- ◆ Security Techniques
- ◆ Fire Control Awareness
- ◆ First Aid
- ◆ Vehicle Operations
- ◆ Security Systems
- ◆ Conflict Management
- ◆ Professional Conduct, Service and Quality

# Alarm response centres/monitoring:

- ◆ MARC Operations Introduction
- ◆ Health and Safety
- ◆ Security of the MARC
- ◆ Communications
- ◆ Standard Operating Procedures
