

Summary of Amendments to Regulation (EU) 2021/821 for 2022

INTRODUCTION

This document summarises the exceptional amendments to Annex I of Regulation (EU) 2021/821 to implement the changes in the control list adopted by the non-proliferation regime Australia Group at its Plenary in July 2022.

OVERVIEW

The changes are the result of the reviews carried by the multilateral Export Control Regime Australia Group (AG) , where agreed, as of December 2022. There are also a number of editorial amendments.

The summary of control text changes is for information purposes only and has no force in law.
