SURVEY ON INCOME AND LIVING CONDITIONS OF HOUSEHOLDS

Form: SILC 1

General Information about the Survey:
1. The survey conducted is in accordance with the Regulation No. 1177/2003 of the European Council and the European Parliament (EU-SILC). The main objective of the survey is to study the standard of living of the population with respect to their income at the European and national level. The survey will be used as the main source for the compilation of statistical indicators about the distribution of income and the social exclusion with respect to the European Union level.

2. The Statistical Service is kindly requesting all households to cooperate when visited by the interviewer and supply the necessary information as accurate as possible.

3. The Statistical Service is obliged in accordance with the statistics Law no. 15(1)2000 to treat all the information collected as "STRICTLY CONFIDENTIAL." The compiled information will be used solely for general statistical purposes. The individual data of the household will not be disclosed to any person, organisation or other Government Departments.

A. LOCATING THE HOUSEHOLD

Information from the previous wave

1. The household was found at the same address as in the previous wave.................................................. (At least one person from the sample stays at the same address as in the previous wave)

2. The entire household moved out to another dwelling in Cyprus ......................................................... (No one from the sample stays at the same address as in the previous wave and contact with the household is possible)

NEW ADDRESS

HOUSEHOLD ID:

ROTATIONAL GROUP CODE:

</tr>
</tbody>
</table>

3. FOR THE INTERVIEWER:

a. I will personally interview the household at the new address .........................................................

b. Another interviewer working in a different area will interview the household at the new address ...........................................
4. Reasons for not conducting the interview with the household:
   a. The entire household moved to a collective household or institution in Cyprus (e.g. medical institutions, home for the old aged, prison etc.)
   b. The entire household moved out to a dwelling not in Cyprus
   c. All household members died
   d. None of the members belongs to the sample (All persons in the sample moved because of one of the reasons mentioned above e.g. a person moved in an institution, another one died etc.)
   e. Access to the household is impossible (due to flood, snow, inaccessible road etc)
   f. Lost household (no information on what happened to the household)

5. This is the first time the household is interviewed because:
   a. It is split (For households created after the last wave and are not initial households)
   b. It was added in the sample in this wave (For households interviewed for the first time and are not split, that is households with rotational group code 3)

6. Fusion
   The household merged with another sample household

---

End of Survey
### B. LOCATING THE DWELLING

1. The dwelling was located:
   - The dwelling was located at the specified address and it is possible to contact the household staying there. The answer does not consider the result of the contact with the household (if the household refuses to cooperate, if it is temporarily absent or if it is unable to respond due to illness etc.)

2. Contact with the household of this dwelling at the specified address is not possible because:
   - The dwelling cannot be found according to the record of contact (area, street, number etc.)
   - Access to the dwelling at the specified address is impossible because of flood, snow, inaccessible road etc.
   - The building at the specified address is demolished, the place is used for business purposes (shop/business), as secondary residence, it is empty (due to repairs or death of renters etc.)

### C. HOUSEHOLD INTERVIEW RESULT

FOR THE INTERVIEWER: Indicate whether the household questionnaire has been completed

| 1. The Household Questionnaire has been completed | 11 |
| 2. The household refused to cooperate | 21 |
| 3. The household is temporarily away (vacations etc.) | 22 |
| 4. Unable to respond due to illness or incapacity or access to dwelling is impossible | 23 |
| 5. The Household Questionnaire was not completed for other reasons (no one speaks english, no member of age >= 16 years old is included, etc.) | 24 |

FOR OFFICIAL USE ONLY

D. ACCEPTANCE/ REJECTION OF THE HOUSEHOLD INTERVIEW

1. ACCEPTANCE (At least one personal interview is completed)
2. REJECTION (No personal interview is completed)

Record of person (not in the household) who is able to give information about the household in case it has moved.

(5): Childcare at centre-based services is considered to be the care of children before or after school hours either within the school premises (e.g. optional all day school) or outside the school premises. All-day schools do not exist in every school. Public and private schools are included.

(7): Childcare programme outside school is considered to be the care of children during day at specially formed premises e.g. some municipalities provide these services. The children must not attend pre-school or compulsory education on this particular day.

(8): It concerns unpaid care of children by grandparents, members of the household other than the parents, other relatives, friends or neighbours.
