

Draft Recommendation 128 of 18-11-2021

on the IFDM Lifecycle for 2022

The Fisheries Control Experts Group – ERS (Electronic Recording and reporting System) and Data Management Working group,

Taking into account that:

- (1) The ERS and Data Management Group has agreed in Recommendation 85 to put in place an annual lifecycle planning, in order to facilitate planning and to increase the respect of agreed deadlines.
- (2) Certain dates have been agreed already in specific IFDM Recommendations while other dates and requirements are still pending final approval

Recommends:

1. to approve the IFDM Lifecycle planning document for 2022.
