SURVEY ON INCOME AND LIVING CONDITIONS OF HOUSEHOLDS

General Information about the Survey:
1. The survey conducted is in accordance with the Regulation No. 1177/2003 of the European Council and the European Parliament (EU-SILC). The main objective of the survey is to study the standard of living of the population with respect to their income at the European and national level. The survey will be used as the main source for the compilation of statistical indicators about the distribution of income and the social exclusion with respect to the European Union level.

2. The Statistical Service is kindly requesting all households to cooperate when visited by the interviewer and supply the necessary information as accurate as possible.

3. The Statistical Service is obliged in accordance with the statistics Law no. 15(1)2000 to treat all the information collected as STRICTLY CONFIDENTIAL. The compiled information will be used solely for general statistical purposes. The individual data of the household will not be disclosed to any person, organisation or other Government Departments.

(5): Childcare at centre-based services is considered to be the care of children before or after school hours either within the school premises (e.g. optional all day school) or outside the school premises. All-day schools do not exist in every school. Public and private schools are included.

(7): Childcare programme outside school is considered to be the care of children during day at specially formed premises e.g. some municipalities provide these services. The children must not attend pre-school or compulsory education on this particular day.

(8): It concerns unpaid care of children by grandparents, members of the household other than the parents, other relatives, friends or neighbours.
