Subject: Invitation to a stakeholder meeting on a possible revision of the Drinking Water Directive 98/83/EC

We are pleased to invite you to a stakeholder consultation meeting on a possible revision of the Drinking Water Directive. The meeting will take place on

8 December 2015 as of 10:00h

Venue address:

**BERLAYMONT building, room Walter Hallstein (1st floor),
Rue de la Loi 200, Brussels**

The draft agenda, information on how to register, and further information on the evaluation is available on the project website www.safe2drink.eu. Due to the physical capacity of the meeting room we ask delegations and associations to kindly restrict participation to 1 member.

The evaluation of the Drinking Water Directive 98/83/EC is included in the Commission's Work Programme of 2015. A first stakeholder meeting on the evaluation took place on 26 May 2015. At this second stakeholder meeting, the draft results of the ex-post evaluation will be presented, and stakeholders will be invited to provide feedback on possible future policy options and initial considerations of relevant impacts. The meeting is co-organised under an external study contract awarded to a consortium by Ecorys, Alterra, KWR, ACTeon, and REC.

We would be grateful if you could confirm your attendance by **Friday, 27 November 2015** using the registration tool on the project website www.safe2drink.eu.

Yours sincerely,

Matjaz MALGAJ
