

Overview on derogation reports under Art.16 of the Habitats Directive & links to national reports

Reporting period: 2017-2018

Date: 11-05-2021.

The following table gives an overview of national reports submitted by Member States in the Reportnet Central Data Repository (CDR). **Please note that it does not provide any assessment of their content.**

The table provides links to the specific national reports. In case there are older versions or wrong reports submitted by a Member State, the link provided in this table points to the report indicated as correct by the national authorities.

To view these reports please click on the files included in the folder and choose the HTML or the Excel version. If you encounter problems, try changing browser. In some cases, the folders include additional information in other formats.

Legend:

The report has not been submitted.
The report has been submitted but it is not accessible.
The report has been submitted (independently from its quality).
