   c. All household members died

   d. None of the members belongs to the sample (All persons in the sample moved because of one of the reasons mentioned above e.g. a person moved in an institution, another one died etc.)

   e. The household moved to a private dwelling in Cyprus and the address cannot be located (impossible to locate the new address of the household)

5. **This is the first time the household is interviewed because:**

   a. **It is split** (For households created after the last wave and are not initial households)

   b. **It was added in the sample in this wave** (For households interviewed for the first time and are not split, that is households with rotational group code 6)

6. **Merging**

   The household resulted by merging other households in the sample
B. LOCATING THE DWELLING

1. The dwelling was located:
   - The dwelling was located at the specified address and it is possible to contact the household staying there. .......................................................... 11

   The answer does not consider the result of the contact with the household (if the household refuses to cooperate, if it is temporarily absent or if it is unable to respond due to illness etc.)

2. Contact with the household of this dwelling at the specified address is not possible because:
   a. The dwelling cannot be found according to the record of contact (area, street, number etc.) .......................................................... 21
   b. Access to the dwelling at the specified address is impossible because of flood, snow, inaccessible road etc. .......................................................... 22
   c. The building at the specified address is demolished, the place is used for business purposes (shop/business), as secondary residence, it is empty (due to repairs or death of renters etc.) .......................................................... 23

C. HOUSEHOLD INTERVIEW RESULT

FOR THE INTERVIEWER: Indicate whether the household questionnaire has been completed

1. The Household Questionnaire has been completed .......................................................... 11
2. The household refused to cooperate .......................................................... 21
3. The household is temporarily away (vacations etc.) .......................................................... 22
4. Unable to respond due to illness or incapacity or access to dwelling is impossible .......................................................... 23
5. The Household Questionnaire was not completed for other reasons (no one speaks English, no sample member of age >= 16 years old is included, etc.) .......................................................... 24

FOR OFFICIAL USE ONLY

D. ACCEPTANCE/REJECTION OF THE HOUSEHOLD INTERVIEW

1. ACCEPTANCE (At least one personal interview is completed) .......................................................... 1
2. REJECTION (No personal interview is completed) .......................................................... 2

Record of person (not in the household) who is able to give information about the household in case it has moved.

(5): Childcare at centre-based services is considered to be the care of children before or after school hours either within the school premises (e.g. optional all day school) or outside the school premises. All-day schools do not exist in every school. Public and private schools are included.

(7): Childcare programme outside school is considered to be the care of children during day at specially formed premises e.g. some municipalities provide these services. The children must not attend pre-school or compulsory education on this particular day.

(8): It concers unpaid care of children by grandparents, members of the household other than the parents, other relatives, friends or neighbours.
