11th meeting of ExNB - Call for items for the agenda

Dear members of ExNB,

the 11th meeting of ExNB is planned to take place on November 27 and 28, 2007 in Brussels starting at noon-time.

To organize the meeting and to plan the agenda we kindly ask you if you have some items for the agenda. If so please send us a paper with a description of the problem and proposals for solution. The official invitation and the meeting documents will be distributed in time.

With kind regards

Dr. Dinkler

(Technical Secretary of ExNB)
